Prayers for Lent

"And the Spirit immediately drove him out into the wilderness. He was in the wilderness forty days, tempted by Satan; and he was with the wild beasts; and the angels waited on him." - Mark 1:13-14 NRSV

I have often wondered about the Spirit’s work of driving Jesus out into the wilderness for forty days. Jesus is fresh off his baptism with his hair still soaking wet when this happens in Mark’s Gospel. He does not even get to attend a reception after the service but is pushed by the Spirit to cascade from spiritual high to spiritual testing. Why so soon, why not give him at least a day or even an afternoon to enjoy the moment? I’m not sure but what I do know is that these forty days helped prepare Jesus for his public ministry that began as soon as he stepped out of the wilderness.

As the Church has followed Jesus those forty days of testing have formed the basis of our practice of Lent. Forty days (not counting Sundays) of spiritual preparation for Easter. Lent began on Ash Wednesday back on February 14 and all of March is contained within those forty days this year.

As we seek to follow Christ my question is, “where is the Spirit driving us?” It is a good question, but not always one that is easily answered, because the Spirit of God can be hard to discern at times. As a church, we are entering into our own time of discernment around many things. Our denomination is continuing to struggle with issues of human sexuality as we answer our call to be faithful to Scripture and tradition while also demonstrating the grace of God to all people. You’ll be hearing more about this later this year as we will be hearing reports from a commission study at the General Church level. Regardless of our denominational struggles, we will faithfully follow Christ in our community and reflect his love, hope, and follow his direction.

Is this a wilderness moment that is preparing us for more than we can ever imagine? Pray about this!

Within our local church, we are trying how to best meet the needs of our ministries. We have space issues just about everywhere, and this is a good thing because it means we have energy, activity, and people participating in life together. We have to figure out how to best use the space we have and also ask ourselves if God is calling us to provide more ministry space. This is yet another set of questions for which we need to be discerning the Spirit of God. Your church leadership is discussing how best to meet these challenges. So again - Pray about this!

Also, pray for your Pastors, I know Pastor Anita and I need it and pray for your church staff. Pray for our Sunday School teachers, small group leaders, Lifegroup leaders, and ministry volunteers. We all need it. As we come through the heart of Lent and prepare for Easter, let’s all make these things our prayers so we will come out on the other side prepared and ready to embark on a new era of ministry for Denver UMC.

Lent Activities
Lent is a period of time leading up to Easter where we model ourselves after the 40 days Jesus spent fasting and denying temptation in the wilderness. This is a time when we remove distractions from our lives so we can focus on prayer. It is easy for us to get distracted, look around at everything that beeps, lights up, and begs for us to play with it. Denying ourselves something we usually spend time with and spending that time praying will remind us all year that God supplies us with our needs. He loves us and cares for us. This practice will also help strengthen our self-control. Some examples are listed below, but pray to decide what the Lord would want you to remove or add to your life. See where He leads you and your family.

• Name your blessings by writing them down and keeping them in a jar.
• Write random acts of kindness on small slips of paper. Each morning take one and complete that act of kindness before the day is over. Talk as a family about what happened. Pray together that those acts of kindness will continue to touch more people.
• Examples: Give a compliment, donate food to homeless shelter, let someone go in front of you.

PRESCHOOL
In March the Preschool is going to have its Annual Art Show on March 8th at 6:00 p.m. We will begin in the Sanctuary where the 2s, 3s, and 4s will each sing some songs. Then we will go to the Family Life Center where each child will have 3 art pieces displayed. This is my favorite thing the Preschool does all year. You will not believe what our children can do!
**Who we are!**
At Harbor Youth, we are a ministry built on relationships. We believe that Jesus calls us to worship and gather in small groups together and so we do those things with all we have. We meet almost every Sunday night from 6:00-8:00 p.m. for dinner, worship, and small groups.

A NOTE FROM
PASTOR ANITA

A prayer for Lent from my heart to yours...may the journey transform you.

Gracious God,
We find ourselves in this wilderness
Longing for resurrection,
for new life
But wandering around
in the dry and weary land of brokenness
and sin.

Come and pour
the water of your grace
on the thirsty ground of our souls
Draw us face to face
with your sacrificial love and
give us thankful hearts
Forgive us
Free us
And shape us by your cross
AMEN.

Blessings on the Journey,
Pastor Anita

One of the activities we did during the follow-up conference was to list out some of the fears/lies we find ourselves believing as we develop our team of ministry partners. This activity revealed a lot of fears and doubts I have when raising financial support. I have, at times, caught myself thinking that I'm burdening people to ask them to support my ministry, that I'm not good enough to be a missionary, or that people will think I'm using my relationship with them as a means to an end. These fears and doubts are all a result of false beliefs about God, myself, and others. Will you join with me in praying that I and other missionaries raising financial support wouldn't let these lies prevent us from being faithful to what God has called us to?

I would love to hear from you! If you have any prayer requests or just want to give me updates on what's going on in your life please email me at: dthompson@dodomail.net. My address is 7735 Dellinger Road, Denver, NC 28037

Dylan Thompson update

Theological development-
For the past three weeks, I've been in Daytona, Florida taking seminary classes through Cru and attending a follow-up conference to the one I attended in September. I took two classes, Intro to Christian Theology and Bible Study Methods, alongside about 100 other new staff who will be serving as missionaries all over the world. I really appreciate that Cru values theological development, and I'm excited to practice what I learned both in my personal life and with students in East Asia.

When I wasn't in class or doing homework, I got to spend time with some of the other amazing missionaries working with Cru. It was such an encouragement to hear some of their experiences in raising financial support and to learn more about God's calling in their lives. In the New Testament believers are frequently referred to as brothers (and sisters) to emphasize that Christian fellowship is greater than earthly friendship, especially since it crosses boundaries like age, ethnicity, and language. These past few weeks I felt like I truly got to experience what Paul says about Christian community in Ephesians - "So then you are no longer strangers and aliens, but you are fellow citizens with the saints and members of the household of God."

I'm not worthy
This isn't a good idea
MPD is begging
I'm doing it all wrong
People don't want there are too many churches
I'm a burden to ask
God doesn't care about me
People hate me
God is not in control
We will never report
It's not worth it
This is not a real job
Am I actually called?
Am I never doing enough
I'm the only one struggling
Porting will fix everything

Prayer MINISTRY

Susan Nickel
snicke@bellsouth.net

If it seems like God isn't answering our prayers, we might question if His promises are meant for us. We have 2 choices: we can either assume God's promises aren't trustworthy or we can believe that when He makes a promise, He is serious about keeping it. Deuteronomy 7:9 says: Keep in mind that the Lord your God is the only God. He is a faithful God who keeps his promises and is merciful to thousands of generations of those who love him and obey His commands. In 1 John 1:9 He promises to forgive us. In Jeremiah 29:11 He promises He has a plan and a purpose for us, and in Jeremiah 29:12 He promises He hears our prayers. Come join us March 1 and March 15 in WAB 101 as we pray for our church and our community as we ask God to hear our prayers.

FINANCE AND STEWARDSHIP

Financial Review Report

Our church is blessed with tremendous financial resources that go to support our mission to, “Be a harbor of hope in a chaotic world where people come to know God, build relationships, and unleash compassion.” It is the duty of our church leadership to provide proper oversight for the use of these funds. To that end the Administrative Board on the advisement of our Finance Committee contracted with a local CPA firm to conduct a review of our financial processes, below is a summary of their report.

SHERRILL, BLAKE & HARRISON CPA PA has completed a study based on the guidelines of the United Methodist Church to determine if reasonable policies and procedures are in place to make certain that good stewardship is being used in handling and accounting for the funds received by the Church. The guidelines developed by the United Methodist Church specify that the internal controls that are in place should be designed to provide reasonable assurance that the policies and procedures are being complied with, in the reliability of the financial reporting, and determining that the assets of the church are being safeguarded. We used the Finance Committee Policy on Financial Accounting Procedures to determine if those procedures are being followed. We also looked at the policy to determine if there were any additional procedures that should be added. Based on our inquiries concerning the accounting procedures compared to the written policy there were no major areas of concern where the policies were not being followed. We did make several recommendations to the Finance Committee to consider adding to the current policies and procedures to provide additional controls over the safety of the assets and financial information. We have discussed those measures with the treasurer and chair of the finance committee.

The full report was submitted to the Administrative Board at our February 13, 2018 meeting, and it is included in the minutes of that meeting. Minutes are available to any church member upon request. We are pleased that this outside review found no major areas of concern, and the recommendations of the CPA firm are already being implemented. We are committed to ensuring that all ministry dollars are used wisely and proper accountability is present in all of our financial processes.

On behalf of the Administrative Board and Finance Committee, Steve Autrey Sr. Pastor
